## JULIA SCHMITZ is ...

the CEO of Germany's first media school, the Logo-Institute. She trains TV presenters, speakers and business leaders. Her mission is it to amplify their visibility with their outstanding personalities, support them to feel alive and authentic on videos, on stage and in business so they to become thought leaders and role models in their field.

With her journalism and TV presenter background she is also an international speaker, event host and media coach best known for her contagious and vibrant energy.

Her performance stands out as she brings together facts, storytelling and juggling skills to create impactful moments that last.
